

What Can I Write a README in?

Many have queried what obscure formats they may be able to write their READMEs (or other auxiliary text files) in. This repo hopes to provide an answer with the table below!

A format will be considered supported if it is displayed properly on the given page.

	GitHub	GitLab
Epub	No	No
Markdown	Yes	Yes
ODF Text Document	No	No
PDF	Yes	Yes
reStructuredText	Yes	Yes
Pure UTF-8	Yes	Yes
